Dr. John J. McKelvey, Jr.
The Rockefeller Foundation
49 West 49th Street
New York 20, N.Y.

Dear Dr. McKelvey:

This letter is made to know whether the Rockefeller Foundation is continuing with its program for training young graduates in connection with the programs in Mexico, Colombia or elsewhere. And, of course, to know whether you would be willing to consider a candidate we have now for the beginning of 1959.

He is Mr. Wander Said, who is graduating on next Dec. 15. His main interest is related to extension work in agriculture. He has a good inclination toward journalism, radio programs, visual aids, etc.

I wish to thank you for any consideration given to this enquiry.

Sincerely yours.
